Burhans Testifies After Four Years.

Burhans of Carlisle Center, N. C., testifies: "About four years ago I was stating that I had been cured of a severe kidney trouble by using less than two bottles of F. J. Kelley's Kidney Cure. It entirely stopped the pain, the sediment, and the pain and I am glad to say that I have had a return of any of these symptoms during the four years that I have been cured and I am evidently cured and I heartily recommend F. J. Kelley's Kidney Cure to anyone suffering from kidney or bladder trouble." McCollum & Co.

PROMINENT PARTY HERE.

Have Been on Fishing Trip, Stopping Day With Mr. Callison.

After a couple of days' fishing sport in the vicinity of Homosassa and Crystal River, the party returned to Gainesville Sunday and were driven to Spring Park Farm, where they were entertained until yesterday, when they proceeded to Savannah.

Manager Callison invited several of his friends to Spring Park, and altogether the affair was one full of good cheer and fellowship.

Mr. Wiggins An Old-Timer.

"I see by The Sun of recent date that there are only three residents of Alachua county who were citizens of Florida as a Territory," remarked Burrill Wiggins of Hague, who was among the visitors to Gainesville Monday. "I was born in Alachua county on the spot where the waterworks plant now stands, in 1841, and inasmuch as Florida was not admitted to the Union until 1845, I am somewhat of an 'old-timer' myself."

Mr. Wiggins did not give this information for publication and said so at the time; but these pioneers are so few and far between at this age that he deserves to go on the list as a fourth one, if he has not already constituted one of the three. Notwithstanding the fact that Mr. Wiggins has advanced to a ripe age, he is yet active, and declares boastfully that he can endure as much work as the average young fellow, and conclude his day's labors without any more fatigue. He has always been regarded as one of the most successful planters in the county, and has reared a useful and energetic family.

Oranges are selling on the trees at Largo for \$1.10 a box, but growers are holding for \$1.25. The crop in one grove sold for \$6,000.
